DISTRIBUTION THROUGH: All DFA Employees (LEVEL)
DATE ISSUED/REVISED: 11/10/05 **REPLACES:** 200.5.2 **DATED:** 10/25/05

In 1986, the Risk Management Division of the Arkansas Insurance Department developed a Vehicle Safety Program for all agencies covered under the State Master Vehicle Policy. The purpose of the program is to ensure that only licensed drivers with acceptable driving records operate vehicles on state business, thereby protecting the state from unnecessary liability exposure. Through the combined efforts of the Department of Finance and Administration-Office of Driver Services and Information Network of Arkansas (INA), safety program information is easily accessible to all agencies.

I GENERAL STATEMENTS

- A.** New DFA employees who may be or will be required to operate a vehicle on state business will sign the required authorization (VSP-1), and will receive a copy of the signed authorization and of the Driving Safety Tips. The original VSP-1 will be forwarded to the DFA Human Resources Office along with the usual hire documents. No copies of drivers' licenses are required.
- B.** Driving records will be checked automatically by the Office of Driver Services each week. DFA Human Resources staff will notify Administrators if an employee's driving status has changed. It will be the Administrator's responsibility to then ensure compliance with the DFA requirements for the Vehicle Safety Program.
- C.** Employees leaving employment with DFA will be removed from the DFA database.
- D.** If an applicant's hire is dependent on having an acceptable driving record, the supervisor may request an immediate review of the record by contacting Shelly Smith at 501-324-9065. At the time of this request, the supervisor must have a signed copy of the VSP-1 from the applicant.
- E.** For more information about the driving records part of the Vehicle Safety Program, contact Shelly Smith at 501-324-9065.
